However, any license granted by you under these Terms shall survive even after your account has been terminated. In addition, copies of User Content may have been retained as part of our routine backups. Termination is automatic upon the expiration of the free "evaluation" period if you have not upgraded to one of the paid account options. Notwithstanding the foregoing, except in the case of breach by you of the obligations set forth herein, we will make available to you at your request by email to support@catchoom.com, for a period of thirty (30) days from the termination date, access to your image collection stored in the Services through the Management API (defined in Exhibit 2, attached hereto). After such thirty (30) day period, all copies of your image collections will be deleted. 6. Purchases and Billing Information.

Catchoom makes certain of its product features and subscriptions available for purchase (and, as the case may be, download) via the CraftAR Cloud Service. If you choose to make a purchase via the CraftAR Cloud Services, you will be asked to provide billing information such as name, company name, billing address, and credit card information either to Catchoom or its third party payment processor. You agree to pay Catchoom for all purchases (including all applicable taxes) made via the Services, and you hereby authorize the collection of such amounts by charging the credit card or other payment method provided as part of your order, either directly by Catchoom or indirectly, via a third party online payment

processor. Catchoom may also disable access to the Services in the event you fail to make all payments due. If you are directed to Catchoom's third party payment processor, you may be subject to terms and conditions governing use of that third party's service and that third party's privacy policy. Please review such third party's terms and conditions and privacy policy before using the services. Notwithstanding anything to the contrary herein, all sales are final and there shall be no refunds except as required by law. Further, Catchoom will not allow changes to CraftAR subscriptions without renewing the service order.

Fees. You agree to pay us the amount identified, in the manner set forth in, the account option you choose upon registration ("Service Order"). We charge and collect in advance subscription fees for use of the Services. On periodic renewal (monthly, annual), you will be charged at the then current Service Order price, unless otherwise agreed in writing with us. Except as expressly set out herein, fees are non-cancellable and non-refundable.

Invoicing. We will issue the invoice for one-off and subscription fees upon acceptance and execution of the online Service Order. Unless the CraftAR Services are terminated, renewals are invoiced on the periodic renewal date of the current plan (monthly or annually), and you authorize CraftAR to bill your payment instrument in advance on a periodic basis in accordance with such terms. We will issue invoices in the currency set out in the Service Order, posted to your account. In the event that we make a change to or cancel an order, we may attempt to notify you by contacting the e-mail and/or billing address/phone number provided at the time the registration was made.

Payment: Unless stated in the Service Order, payment is made by credit card payment. In addition to the termination provisions elsewhere in the Terms, we reserve the right to suspend or terminate this Agreement and access to the Services if you do not pay in timely manner or if you cancel the credit card payment. You warrant you provide us with valid and updated credit card information and you authorize us to charge such credit card for all Services set out in the Service Order for the initial subscription term and renewal subscriptions until termination. You agree to promptly update your account and other information, including your email address and credit card numbers and expiration dates, so that we can complete your transactions and contact you as needed.

Disputes: If you dispute any charges you must let us know within sixty (60) days after the date that the charge was incurred. All amounts paid are non-refundable, and we reserve the right to change our prices in the future. If we increase our prices for your service plan, we will provide notice of the change to you at least thirty (30) days before the change is to take effect. Your continued use of the Services after the price change goes into effect constitutes your agreement to pay the changed amount. Past due fees are subject to a finance charge of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is lower, plus all expenses of collection.

Taxes: You must pay any applicable taxes, and any applicable third-party fee (including, for example, telephone charges, mobile carrier fees, ISP charges, data plan charges, credit card fees, foreign exchange fees). We are not responsible for these fees.

0. API Definition

CraftAR has two (2) APIs: the Cloud Image Recognition API (or “Recognition API”) and the Management API. Unless specified otherwise, CraftAR API or API refers to both at the same time, or to any of them independently.

1. API Use License

Subject to your compliance with this Agreement, Catchoom grants you a non-exclusive, non-transferable, and non-sublicensable (except as expressly permitted herein) license to use CraftAR API solely to enable your application to interact with the Services to send and retrieve information necessary to facilitate your permitted use of the Services through your application.

2. Access Keys

For access via the Management API, you will need to use your API_KEY as Access Keys that permit you to access CraftAR Cloud Service; and for access via the Recognition API, you will need to use “Tokens” to access the targeted image Collection. The API_KEY must be kept confidential and may be revoked if you share them with any third party (other than as allowed under this Agreement), if they are compromised, if you violate any of these Terms, or if Services to you are terminated for any reason. The “Tokens” can be used at your discretion and responsibility to distribute your application (as allowed under this Agreement).

3. API Call Limitations

The number of API calls you will be permitted to make during any given period may be limited. We will determine call limits based on various factors, including the ways your application may be used or the anticipated volume of use associated with your application. We may, in our sole discretion, charge you for API calls that exceed the call limits or terminate your access to the API in accordance with these terms. The API calls also have service limitations specified in [Exhibit 1](#) above.

4. Restrictions

Notwithstanding your obligations pursuant to Section 14 of the Terms, above, you further agree not and will not facilitate or enable others to: a) distribute, publish, or allow access or linking to our API or content from any location or source other than your application or the CraftAR Mobile App; b) enable or permit use or disclosure of CraftAR Services via the API other than as authorized under this Agreement; c) commercialize (that is, sell, rent, trade or lease) CraftAR to third parties; d) access CraftAR technology platform for any other purposes other than bona fide use of CraftAR in accordance with this Agreement; d) modify, decompile, reverse engineer or otherwise alter CraftAR technology, API or our Services; e) use robots, spiders, scraping or other technology to access or use our technology platform or CraftAR in general to obtain any information or services beyond what we provide to you under this Agreement; f) use the API in a manner that exceeds reasonable request volume, constitutes excessive or abusive usage or otherwise fails to comply or is inconsistent with any reasonable instructions or policy published by us; or g) use the API to: (i) infringe our copyright, patent, trademark, trade secret or other property rights or rights of publicity or privacy; (ii) transmit any viruses or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system or data; or (iii) interfere, disrupt or attempt to use our technology platform to gain unauthorized access to any computer system, server, network or account for which you do not have authorization to access or at a level exceeding its authorization; or (iv) in general create liability for us or cause us to lose (in whole or in part) the services of our ISPs or other suppliers.

5. Suspension/termination

Notwithstanding Section 5 of the Terms, above, the event of any breach by you of the restrictions set out herein, we will provide you notice of the same, and if it is not corrected within ten (10) days, we may (i) suspend all API access rights and other Services provided to you or, in the event this does not prevent a breach, we may terminate your CraftAR Services. In the event any such breach causes immediate material harm or significant risks, as determined by us, to our technology platform or Services, we may immediately suspend all API access rights and other services to you, provided that we shall provide you with immediate notice of such suspension. We will resume services when such breach is remedied and all issues related thereto are resolved, without prejudice to our right to terminate this Agreement. In addition, we may suspend or terminate API access (a) if we are required to do so by law; (b) when your Service Order has expired or been terminated; (c) when providing such access to the Services could create a substantial economic burden as determined by Catchoom in its reasonable good faith judgment; or (d) providing API access to the Services could create a security risk or material technical burden as determined by us in our reasonable good faith judgment

6. Modification of the API, Website and Services.

We may modify the API, permitted API calls, our databases, or CraftAR Services and permitted uses of the same under this Agreement, or any of the benefits and/or features provided in connection with your use of the API. We will provide you one (1) month's written notice of any such modifications that may affect your Application. These changes may require you to make changes to your application at your own cost to continue to be compatible with or interface with the API or the Services.

7. Security Standards

You agree to comply with the following API Security Standards ("Security Standards"):

- a) Security Breaches. A "Security Breach" is defined as a breach of security of your facility, systems or site where our Services have been accessed or used by an unauthorized person. In the event of a Security Breach, we may suspend or terminate your access to the API and the Services and we may conduct a security audit.
- b) Notification. Notwithstanding any other legal obligations you may have, you agree to immediately notify us in writing upon your discovery of a Security Breach, using commercial reasonable efforts to do so no more than twenty-four (24) hours after such detection, including: a problem statement, expected resolution time (if known), and the name and phone number of your representative that we can contact to obtain incident updates. Under no circumstances will more than two (2) days pass between your detection of a Security Breach and us being notified by email.
- c) Audit. We reserve the right to periodically audit your communications with the CraftAR Cloud Service and systems to ensure compliance with the requirements of these Terms. Non-intrusive network and application security scans may be performed randomly without prior notice.
- d) Audit Results and Response. We will provide you with detailed results of any security audit performed pursuant to these Security Standards. You will be granted thirty (30) days to resolve any issue that we identify through a security audit. Should you fail to resolve such identified issues, we may immediately suspend or terminate your access to the API and CraftAR without further notice to you.

EXHIBIT 3 – Additional terms

A) FOR USERS ACQUIRING THE SERVICES IN THE UNITED STATES

1. Copyright Infringement.

Written Notification. Catchoom has adopted the following general policy toward copyright infringement in accordance with the Digital Millennium Copyright Act (“DMCA”). You are hereby informed that Catchoom has adopted and reasonably implemented a policy that provides for the termination of access, in appropriate circumstances, to users who are repeat copyright infringers. Catchoom may, in appropriate circumstances and at its discretion, disable and/or terminate access to users who may be infringing the intellectual property of a third party. If you believe that your work has been copied in a way that constitutes copyright infringement, or your intellectual property rights have been otherwise violated, please provide Catchoom’s DMCA Agent the following information (to be effective, the notification must be in writing and provided to our Copyright Agent):

1. an electronic or physical signature of the person authorized to act on behalf of the owner of the copyright or other intellectual property interest;
2. a description of the copyrighted work or other intellectual property that you claim has been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site;
3. identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and a description of where the material that you claim is infringing is located;
4. your address, telephone number, and, if available, email address;
5. a statement by you that you have a good faith belief that the disputed use is not authorized by the copyright owner, its agent, or the law; and
6. a statement by you, made under penalty of perjury, that the above information in your notice is accurate and that you are the copyright or intellectual property owner or authorized to act on the copyright or intellectual property owner’s behalf.

Upon receipt of a valid written notification containing the information as outlined in 1 through 6 above, Catchoom shall, (1) remove or disable access to allegedly infringing content; (2) forward the written notification to the alleged infringer; and (3) take reasonable steps to promptly notify the alleged infringer that it has removed or disabled access to the allegedly infringing content.

Counter Notification. To be effective, a counter notification must be a written communication provided to Catchoom’s DMCA Agent that includes substantially the following:

1. your physical or electronic signature;
2. identification of the material that has been removed or to which access has been disabled and the location at which the material appeared before it was removed or access to it was disabled;
3. a statement, as follows: “I swear under penalty of perjury that it is my good faith belief that the material identified above was removed or disabled as a result of mistake or misidentification of the material to be removed or disabled”; and
4. your name, address, and telephone number, and a statement that you consent to the jurisdiction of Federal District Court for the judicial district in which you are located, or if your address is outside of the United States, for any judicial district in which Catchoom may be found, and that you will accept service of process from the person who provided notification or an agent of such person.

Upon receipt of a valid counter notification containing the information as outlined in 1 through 4 above, the DMCA provides that the removed material will be restored or access re-enabled and Catchoom will comply with this requirement within a reasonable time (or as otherwise required by law), provided Catchoom’s DMCA Agent has not received notice from the original complaining party that an action has

been filed seeking a court order to restrain you from engaging in infringing activity relating to the material on Catchoom's network or system.

Catchoom's agent for notice of claims of copyright or other intellectual property infringement can be reached via email at legal@catchoom.com or via regular mail at the following address: Attention: Marc Pellegrino, 450 Seventh Avenue, 33rd Floor, New York, NY 10123.

WARRANTIES

Except as expressly set out herein, THE SERVICES ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY LAW, CATCHOOM DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, RELATING TO THE SERVICES, OR ANY CONTENT OR DATA ON THE SERVICES, WHETHER PROVIDED OR OWNED BY CATCHOOM OR BY ANY THIRD PARTY, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, FREEDOM FROM COMPUTER VIRUS, AND ANY IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN TRADE, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. IN ADDITION, CATCHOOM DOES NOT REPRESENT OR WARRANT THAT THE CONTENT ACCESSIBLE VIA THE SERVICES IS ACCURATE, COMPLETE, AVAILABLE, CURRENT, FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS, OR THAT THE RESULTS OF USING THE SERVICES WILL MEET YOUR REQUIREMENTS.

LIMITATION OF LIABILITY.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL CATCHOOM OR ANYONE REPRESENTING CATCHOOM, INCLUDING ANY THIRD PARTY PROVIDER, BE LIABLE TO YOU UNDER CONTRACT, TORT, STRICT LIABILITY, NEGLIGENCE, OR ANY OTHER LEGAL OR EQUITABLE THEORY, FOR (A) ANY LOST PROFITS, DATA LOSS, COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, OR DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, COMPENSATORY OR CONSEQUENTIAL DAMAGES OF ANY KIND WHATSOEVER RESULTING FROM: (I) YOUR ACCESS TO, USE OF, OR RELIANCE ON ANY CONTENT PROVIDED THROUGH THE SERVICES OR ANY ERRORS OR OMISSIONS IN ANY CONTENT; (II) ANY UNAUTHORIZED ACCESS TO OR USE OF THE SERVICES OR THE SERVERS OF CATCHOOM OR ITS THIRD PARTY PROVIDERS AND/OR ANY AND ALL PERSONAL INFORMATION AND/OR FINANCIAL INFORMATION STORED THEREIN BY; (III) ANY INTERRUPTION OR CESSATION OF TRANSMISSION TO OR FROM THE SERVICES; OR (IV) ANY BUGS, VIRUSES, TROJAN HORSES, OR THE LIKE THAT MAY BE TRANSMITTED TO OR THROUGH THE SERVICES BY ANY THIRD PARTY (REGARDLESS OF THE SOURCE OF ORIGIN) OR (B) ANY DIRECT DAMAGES IN EXCESS OF (IN THE AGGREGATE) OF THE FEES PAID TO US FOR THE THREE-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE LIABILITY. THE PARTIES AGREE THAT THE AMOUNTS STATED HEREIN ARE FAIR UNDER THE CIRCUMSTANCES AND THAT THE PRICES REFLECT THIS LIMITATION OF LIABILITY.

THESE LIMITATIONS APPLY REGARDLESS OF LEGAL THEORY, WHETHER BASED ON TORT, STRICT LIABILITY, BREACH OF CONTRACT, BREACH OF WARRANTY OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT CATCHOOM WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Governing law, Dispute Resolution, Arbitration and Class Action Waiver

You agree that your use of the Services in another jurisdiction does not give rise to personal jurisdiction over Catchoom in jurisdictions other than New York. The laws of the State of New York will govern these Terms and the relationship between you and Catchoom as if you signed these Terms in New York, without regard to New York State's conflicts of laws rules. If any provisions of these Terms are inconsistent with any applicable law, those provisions will be superseded and/or modified only to the extent such provisions are inconsistent.

This Section includes an arbitration agreement and an agreement that all claims will be brought only in an individual capacity (and not as a class action or other representative proceeding). Please read it carefully. You may opt out of the arbitration agreement by following the opt out procedure described below.

Informal Process First. You agree that in the event of any dispute between you and Catchoom, you will first contact Catchoom and make a good faith sustained effort to resolve the dispute before resorting to more formal means of resolution, including without limitation any court action.

Arbitration Agreement. After the informal dispute resolution process any remaining dispute, controversy, or claim (collectively, "Claim") relating in any way to your use of Catchoom's Services, or relating in any way to Catchoom's communications with you, will be finally resolved by binding arbitration. This mandatory arbitration agreement applies equally to you and Catchoom. However, this arbitration agreement does not (a) govern any Claim by Catchoom for infringement of its intellectual property or access to the Services that is unauthorized or exceeds authorization granted in these Terms or (b) bar you from making use of applicable small claims court procedures in appropriate cases. If you are an individual you may opt out of this arbitration agreement within thirty (30) days of the first of the date you receive any Services by following the procedure described below.

Arbitration is more informal than a lawsuit in court. There is no judge or jury in arbitration. Instead, the dispute is resolved by a neutral arbitrator. Court review of an arbitration award is limited. Except to the extent the parties agree otherwise, arbitrators can award the same damages and relief that a court can award. You agree that the U.S. Federal Arbitration Act governs the interpretation and enforcement of this provision, and that you and Catchoom are each waiving the right to a trial by jury or to participate in a class action. This arbitration provision shall survive any termination of these Terms.

If you wish to begin an arbitration proceeding, after following the informal dispute resolution procedure, you must send a letter requesting arbitration and describing your claim to Catchoom Technologies Inc., Attn: Catchoom Legal, CATCHOOM TECHNOLOGIES INC, c/o Buhler Duggal & Henry LLP, 450 Seventh Avenue, 33rd Floor, New York, NY 10123. The arbitration shall be administered by the American Arbitration Association (AAA) under its rules including, if you are an individual, the AAA's Supplementary Procedures for Consumer-Related Disputes. If you are not an individual or have used the Services on behalf of an entity, the AAA's Supplementary Procedures for Consumer-Related Disputes will not be used. The AAA's rules are available at www.adr.org or by calling 1-800-778-7879.

The number of arbitrators shall be one. You may choose to have the arbitration conducted by telephone, based on written submissions, or in person in the county where you live or at another mutually agreed location. The arbitration will be conducted in the English language. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

Payment of all filing, administration and arbitrator fees will be governed by the AAA's rules. If you are an individual and have not accessed the Services on behalf of an entity, we will reimburse those fees for claims totaling less than \$100, unless the arbitrator determines the claims are frivolous, and we will not seek attorneys' fees and costs in arbitration unless the arbitrator determines the claims are frivolous. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability, or formation of this arbitration agreement, including any claim that all or any part of this arbitration agreement is void or voidable. However, the preceding sentence shall not apply to the below subsection entitled "Class Action Waiver."

Class Action Waiver. Any Claim must be brought in the respective party's individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. If the Claim is subject to arbitration, the arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the

arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. The parties understand that any right to litigate in court, to have a judge or jury decide their case, or to be a party to a class or representative action, is waived, and that any claims must be decided individually, through arbitration.

If this class action waiver is found to be unenforceable, then the entirety of the Arbitration Agreement, if otherwise effective, shall be null and void. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. If for any reason a claim proceeds in court rather than in arbitration, you and Catchoom each waive any right to a jury trial.

B) FOR USERS REGISTERING FOR THE SERVICES FROM OUTSIDE THE UNITED STATES

Warranty limitation. Except as expressly mentioned herein or established by mandatorily applicable law, the Services are provided “as is” and “as available” with no representations or warranties of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability, satisfactory quality, fitness for a particular purpose, and non-infringement. There is no warranty that the Services will be uninterrupted or error free; nor any warranty as to the results that may be obtained from the use of the Services or as to the accuracy, reliability or content of any information or services contained in or provided through the Services. Your sole remedy for breach of our warranty of conformity is re-performance of the Services and/or correction of any bugs in accordance with the support terms set out herein.

Liability limitation. We will only be liable for direct damage to you or your equipment caused by us through your correct use of the service. To the maximum extent permitted by law, in no case is Catchoom, its affiliates, employees, officers or sponsors responsible or liable for any indirect, incidental consequential loss or damages, including without limitation, damages, loss of profits, loss of business goodwill or reputation, business interruption, equipment failures or other damage or loss arising out of or relating in any way to use of or the inability to use the Services. This limitation does not apply to damage arising due to fraud or willful misconduct, or with respect to death or corporal damage to any person. In no event will either party's liability under or in connection with this Agreement for any damages, losses and causes of actions, whether in contract or tort (including negligence or otherwise), exceed the actual amount paid by you for Service(s) which gave rise to such damages, losses and causes of actions prior to the date the damage or loss occurred or the cause of action arose. (Some jurisdictions do not allow the exclusion or limitation of warranties or incidental or consequential damages, so that the above limitations or exclusions may not apply to you. In such jurisdictions, the parties' liability (and the liability of its affiliates, agents, content providers and service providers) shall be limited to the greatest extent permitted by applicable law.)

Applicable Law and Jurisdiction. These Terms shall be governed by and construed in accordance with the laws of Spain. Any dispute arising under these terms and conditions shall be subject to the exclusive jurisdiction of the courts of Barcelona, Spain

Contacts. You agree to receive our email notifications related to CraftAR and our commercial offerings. We will not share your email with 3rd parties. We may contact you for information and service notifications relevant to your account/s or when required by law. You hereby acknowledge and consent that such notices will be effective upon delivering them to you through e-mail.

EXHIBIT 4 – Privacy Policy

Your Data. In registering for the Service and through use of the Service by you and your end users, you and/or they may submit to our systems any User Content containing personal data (“Your Data”), including photographs, images or any metadata, within a CraftAR Collection. Under applicable privacy regulations, you are responsible for Your Data and you are what is known under privacy regulation as the “data controller”. You appoint us as a data processor of Your Data, to process Your Data on your behalf (“Data Processor”), for the purpose of providing the Service.

Our obligations as Data Processor: As Data Processor on your behalf, we shall (a) implement appropriate technical and organizational measures to safeguard Your Data against any unauthorized or unlawful access, loss, destruction, theft, use or disclosure; we implement basic security measures set out in Spanish Royal Decree 1720/2007 and no higher level measures are available for the Service; (b) limit access to Your Data only to those employees who need to know it to enable us to perform the Services, and shall take appropriate steps to ensure the reliability of those of its employees or subcontractors who have access to Your Data; (c) only process the personal data as specified by these Terms and in accordance with your instructions, and (d) will not use Your for any purposes other than those related to the performance of the Services or pursuant to your written instructions. Upon the expiry or termination of this Agreement by way of de-registration, or upon request of the Customer, cease any and all use of Your Data and will destroy or return it to you. We will not disclose Your Data to any third party without your prior written consent of the Customer, except as part of performing the Services for your end users.

Subcontracting. As Data Processor we may provide access to a subcontractor processor to Your Data if we reasonably consider such access and processing necessary to the performance of the Services. In the event of such access and before the access takes place, we shall ensure that an agreement with the third party is in place which is sufficient to require it to treat personal data in accordance with the applicable provisions of this Agreement and applicable. You authorise us to subcontract such processing in your name, our current sub-processors, being Amazon Web Services, Inc. (with servers in the EU and in the USA) and Rackspace International GmbH, for the purpose of storing and delivering your content (images and metadata) to your end-users using their global Content Delivery Network.

Assistance. We shall provide you with reasonable assistance in the event that you receive a request from an individual or regulator under data protection laws, provided that you shall first use all reasonable endeavours to resolve the request without our assistance. We shall promptly notify you of any such request received that should properly have been addressed to you.

Your Warranties. You warrant that you have all the appropriate consents from data subjects whose personal data are submitted to us by you or your end-users in the course of the provision of the Service, including consent to the transfer and processing of Your Data to and in the USA by the subcontractors mentioned above. You will indemnify and keep us harmless from all claims, damages and losses we may suffer relating to or arising out of the processing of third party personal data submitted to our systems during the course of the provision of the Service.

Prohibited data. In all events, it is forbidden to submit to us or upload to the CraftAR Cloud Service any data that contains **sensitive data** (according to Spanish Privacy Law 15/1999 as detailed in this unofficial English language translation available at:

http://www.agpd.es/portalwebAGPD/english_resources/regulations/common/pdfs/Ley_Orgaica_15-99_ingles.pdf) that relates to identifiable persons such as: your and or third party’s racial origin, membership in a trade union, religion, ideology and sexual life, your and or third party’s health; or your and or third party’s relative to the commission of criminal offences or proceedings and associated penalties or fines.
